

## Christmas Snack Invitation

Dear Parents,

05<sup>th</sup>, December 2012

Christmas is just around the corner and to close the first semester in a nice way, we are planning to have a little Christmas Snack on Thursday 20<sup>th</sup> of December which will be the last half day before we break for the winter vacation.

The children in both K classes are going to bake some Christmas cookies on Tuesday, which we will decorate on Wednesday so we can enjoy them during our Christmas snack on Thursday morning.

We would like to invite you to come along at 9.30 a.m. on that day.

After snack time, we will then go outside to the playground for about an hour. Since this is only a half day of school, the children will be having lunch at about 11.30 to get ready in time for the bus departure at noon.

Please let us know if you would like to join our Christmas snack via email or the Communication Book so we can plan ahead.

As this will be our last letter before the break, we would like to thank you for all the support you have given us in the last few months and wish you a

**Merry Christmas and a  
Happy New Year.**

Have a relaxing holiday and travel safely wherever you are going.

Warm Regards,  
The K team
