

# Home Activity Instructions for Thursday, 20<sup>th</sup> of September

1. Did you like the online coloring yesterday?  
Well, here is another page, which you can  
play for a couple of minutes.  
It is a fishing game.  
Have fun 😊

2. Now, you can ask an adult to print  
out the attached paper for you so you can  
draw a picture of anything for your little  
home activity booklet.  
**(Remember it is ok even if it is a scribble,  
as we are not expecting a lot from your  
child.)**
