

How to play 'Spring Bingo'

Bingo is a game based entirely on luck.

The rules for this game are very simple and easy to follow.

1. Hand out to each child one Bingo board.
2. The Bingo caller will call out a picture and/or show it to the children. The child with the same picture on the picture base will cover it up (blue tack, a piece of paper,)
3. As soon as a child has filled in a horizontal line of pictures he/she should shout 'Bingo'
4. You can be creative and try out more complex versions of Bingo once your child is familiar with the easy one.
