

# Open your hands - shut your hands .....

Open - shut them, open - shut them,  
give a little clap.

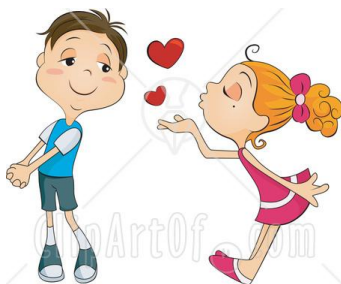

Open - shut them, open - shut them,  
put them on your lap.

Creep them, creep them, creep them,  
Creep them, right up to your chin.

Open wide your little mouth,  
but don't let them in.

Shake them, shake them, shake them, shake  
them, shake them just like this.

Roll them, roll them, roll them, roll  
them, blow a little kiss.
