

UP and DOWN

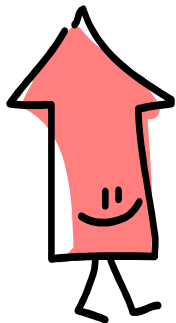

**We're going up,
we're going up,
as high as we can go.**

**We're going down,
we're going down,
we're going way down low.**

**Up, up, up, up, up, up, up.
Down, down, down, down, down, down.**

**We're going up,
we're going up,
as high as we can go.**

**We're going down,
we're going down,
we're going way down low.**

**Up, up, up, up, up, up, up.
Down, down, down, down, down, down**
